# Hybrid Waterproof Flooring

Made to Last  
And the Living is Easy

W3108 Blackbutt

## Easy Living Waterproof Flooring

The Easy Living range of waterproof flooring is eco-friendly, durable, affordable and of high quality. It boasts the authentic look of timber and the durability of laminate.

The superior functionality of this flooring is achieved with state-of-the-art hybrid technology (SPC) and the authentic wood appearance, with the clever use of embossed shiny or matt pores and beveled edges on the surface.

Our SPC hybrid flooring is 100% waterproof, anti-slip, wear resistant, stain resistant and able to withstand salt air. Well suited to the city, coast and regional environments, clearly making it a front runner for the discerning Australian family.

### Spotted Gum

1530mm X 180mm X 6.5mm
