Noble Floors

Noble Floors - made with the finest European Oak timber, Noble Oak Floors exhibit the strength, reliability and beauty of this world famous tree.

The wonderful grain pattern and variety looks great in any environment, adding charm and value to your home. This timber also lends itself perfectly to staining and other colour additions, where the grain and colour variation ensures the unmistakable footprint of nature combines with a modern look.

Our manufacturing processes are world class, and our product comes with comprehensive structural and surface coating guarantees.

This all ensures you will have a beautiful and liveable timber floor for many years to come. Enjoy.
